5. PUBLIC QUESTION PERIOD

---

The City Clerk announces the beginning of the public question period.

A resident asks to clarify who identifies the trees, in which manner and what are the fines to be paid.

Mr. Robert Lacroix, Director and Treasurer, Finance and Treasury, explains that the trees are identified by an inspector. He adds that the identification process is already in place. He clarifies that the inspector visits the premise before the permit is issued, not after the permit is issued. The fines are as those provided in the by-law.

A resident would like to know if the restriction on issuing a building permit only after the trees are protected will also apply when requesting a permit for an extension on an existing building. She adds that she believes it should also apply in the latter case.

His Honour the Mayor states that the modification relates to all works that require a building permit.

The question period ends at 7:41 p.m.
